Here we are in this ocean  
Between life and death and truth and lie  
Between rich and poor and sick and cure

Here we are in this ocean  
Between light a day and dark a night  
Between nature and destruction  
Between joy and blues (joy and blues)

**C Dm**  
Choose well and make sure you don't lose  
Do what you gotta do  
'Cause if it's money you put down  
It's only money you could lose  
Choose well and make sure you don't lose  
Pick your choice - choose well  
'Cause when your life is on the line  
It's only life you can lose  
Alright

We have the potion  
To clear all evil notion  
Putting these words in motion  
I refuse to give joy to blues  
Tell me why should we live between  
joy and blues

Choose well and make sure you don't lose  
Do what you gotta do  
'Cause if a money you put down  
It's only money you can lose don't you know  
Choose well and make sure you don't lose  
Pick your choice - choose well  
'Cause when your life is on the line  
It's only life you can lose

Here we are in the big blue sea  
Between faith and trust and hypocrisy

When your life is on the line, your life is on the line  
Your life is on the line, only life you can lose
