

# Zimbra - Sinais

Tom: A

Intro: A A

É, por mim ta bom

Não vou tentar de novo

Eu já cansei de respirar

Por algum outro

Eu não quero mais fingir

Que não sabia

Que eu podia terminar

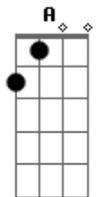

Com tudo de novo

Na verdade é saudade  
 Que eu não sinto mais  
 Recolhe os cacos que eu deixei  
 jogados pelo chão

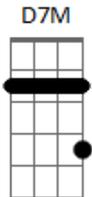

Refrão:

Sinais de vida a sós  
 É o que você tem pra oferecer  
 descaso mato o seu futuro e o seu passado  
 Antes que eles matem a nós dois  
 E a gente se vê depois
